WATER ROUGH, BUT TIME WAS VERY GOOD.

Race Commenced Very Evenly, But Inch by Inch the Middies Forged Ahead, and at the End of the First Half Mile It Was a Procession of the Cadets in the Race.

Yale Defeats Wisconsin—Inter-Collegiate Sports—Turf Events.

Annapolis, Md., May 29.—Every cadet in the naval academy feels like an admiral today, for the "Cadet" crew today defeated "Pennsylvania" in a two-mile race, crossing the line seven lengths ahead of the Quakers, in 15 minutes and 47 seconds. The victors came in 35 seconds later, in 14 minutes and 25 seconds.

The water was rough, and the time is considered very good under the circumstances. Because of rough water, it was 4:23 p.m. when the race was held from the "Judges' boat," and the race was on. Both crews took the water at about the same time, pulling a long, steady stroke, but before the half mile the Pennsylvanians became steadily ahead of the Middies. At the end of the first half mile the Pennsylvanians were a length ahead. From this time on it was a procession, with the Quakers bringing up the rear. Inch by inch the Cadets forged ahead, until at the finish seven lengths separated them from their competitors.

Yale Beats Wisconsin.

New Haven, Conn., May 29.—Yale won the two-mile boat race from the University of Wisconsin on Lake Saltonstall this afternoon by about three lengths, in 19 minutes and 47 seconds. California's Will Be There.

San Francisco, May 29.—California is to be represented at the annual meet of the Western Inter-Collegiate Association, which is to be held next Saturday at Chicago. Charles Dole, the young athlete of the Stanford University, will lead the California team, where he intends to compete for the all-around championship.

Police chances of winning the contest, however, are very good. He expects to win the contest, and he expects to win the contest. He expects to win the contest, and he expects to win the contest. Pennsylvania Wins.

New York, May 29.—The athletes of the University of Pennsylvania are the inter-collegiate champions for this year, as they won the inter-collegiate association's championship cup at Berkeley over the California team by points.

Christian Endeavor Rates.

Chicago, May 29.—Rates to the Christian Endeavor convention in San Francisco have become badly demoralized. Low as is the 45¢ one-way rate agreed on from Chicago for the occasion, there is no likelihood of the roads making anything like it for each passenger carried. A wild scramble for the business has been begun by the competing roads, and each has its agents out contracting all the business they can find. It is charged that cuts are being made in the wages of each division to the general funds, free transportation for the general officers of the society and the heads of the various delegations.

OUTLAW CAUGHT.

"Annie" Cunningham, the Murderer of Ed Barnard, Arrested in Wyoming.

(Special to The Herald.)

Cheyenne, Wyo., May 29.—A telegram from Sundance says: "Annie" Cunningham, the notorious outlaw and murderer who, on November 19 last, shot and killed Ed Barnard, a prominent rancher, near Sundance, has been captured by Crook county officers, who have been in pursuit since the killing. Cunningham was run down in Bismarck, N. D., after a long chase through the British possessions. A reward of \$500 was offered for his capture.

Strange Case at Hawkins.

(Special to The Herald.)

Hawkins, Wyo., May 29.—Charles Ratford arrived here from Fort Worth, Tex., this afternoon in an unconscious condition. He was taken to his father's home in this city, where he lies in a comatose state. He is a wild man and cannot give an account of himself. It is believed, however, that he is suffering from malaria fever. He has been at work in Arkansas as a machinist and later was an inmate of a railroad hospital at Fort Worth. Physicians say Ratford cannot recover.

HANNA'S HIDE.

Scarcely as Tough as It Was During the Campaign.

Washington, May 29.—Senator Hanna was quite concerned today over the publication of a report to the effect that he had promised the railroads that a pooling bill should be enacted. The report, which was given out at distance rendered the Republican party by the railroad companies in the recent campaign, "is preposterous, and I indignantly deny it."

IN GAY PAREE.

Decorations Day Celebrated by Americans Yesterday.

Paris, May 29.—Owing to the fact that Decoration Day falls on Sunday this year the event was celebrated tonight by a large banquet and a general parade. The banquet was given at the Hotel de Ville, and the parade was led by General Horace Porter, United States ambassador to France, who on this occasion delivered a speech in French. The parade was a magnificent one, and the city was filled with the spirit of the occasion.

ROTTENNESS AND
MORAL TURPITUDE

They Exist to a Startling Extent in Germany.

BERLIN THE CENTER

OF CORRUPTION

TRIAL OF VON TAUSCH WAS FULL OF SURPRISES.

Belief That Many of the Most Starling Statements Made Were Supported—Police Commissioners Necessarily Compelled to Concede the Acts of Their Subordinates and Agents—Alleged Treasonable Acts in Favor of Russia.

Berlin, May 29.—The trial of Herr Von Tausch, the former chief of the secret police, charged with perjury, treason and forgery, which began on Monday last and continued through the week, monopolizes public attention. The proceedings will last at least for another week. Though a number of revelations have been made, showing the rottenness and turpitude of the Berlin secret police, there is a general impression that much interesting information has been withheld. The chief witness against him, especially in regard to his visit to Moscow, is a man named "Kaiser," a high dignitary of "Kaiser" a number of past and present ministers.

The secret police repeatedly expressed indignation at the network of corruption and business into the hands of the defendants. Von Tausch admitted that the names of well known citizens were frequently forged to receipts for money received as compensation for spy service.

Von Tausch said the police commissioner necessarily had to shield the criminal acts of his subordinates, otherwise no police commissioner could accomplish anything.

"Will you favor me with some outline

of the policy which the Liberal party

proposes to follow in Cuba?"

"In all that concerns the integrity of

of opinion whatever among the

all resolved to make whatever efforts

what I said a year ago. Where I differ

from the Conservatives is in the means

believe so thoroughly to military action

because I consider the material

triumph of an armed force (and on this
